

Academic Annual Planning

At KYDSC trust's IMS Sakegaon-Bhusawal we used effective academic planning Implementation – Evaluation System. We sat at the begin of each semester for syllabus distribution & distribute according to faculty interest, potential in the syllabus of MBA programmes. We prepared online & offline lesson plan & execute them effectively in classrooms sessions. We also used to online LMS platform from VMEDULIFE plan this regard & conduct e-lectures, simulations, preplanning, students seminars on subjects as well as performed evaluated using Internal examinations, Surprise tests, Mook tests, Role play etc.

We also prepare MoM in each semester at begin of each month for student academic progression. We collect feedback from students to measure our performance and correct it if need as well as used to students performance appraisal for their betterment.
