## Brochures Brochure :-

**About Conference**

India's National Education Policy 2020 (NEP 2020) makes a paradigm shift in conceptualizing education as a means to equip students with skills suited for the 21st century. It calls for deep rethinking and redesigning of academic systems along with parallel changes in administrative and regulatory systems.

Industry - Institute Linkage in line with National Educational Policy 2020, aims to stretch the students' thirst for knowledge and give them the opportunity to develop skills to match the need of Industries.

This conference aims to train the faculty members in the new knowledge and skills which is required to move beyond the scope of traditional classroom and to implement linkages with industries to make the students industry ready. This will cover the areas like how to initiate MOUs with industries for activities like internship, research, entrepreneurship and employment for students.
